## LOCAL NEWS.

### For Sale.

Horse and buggy and one billiard table, cheap for cash. Also wanted a girl for second work. Enquire at MAUMEE HOUSE, Maumee, O.

### Good Roads.

The people of Ohio will call upon their different Representatives in the January session of the Legislature to pass laws for better roads. We need them, not a village in Ohio but what will be benefitted in some way; not a farmer but what will be benefitted. We have good roads throughout Ohio today. Why? Because they are frozen. Take the benefit now, drive to Toledo, drive to your nearest R. R. station and get to Toledo, the future great city. Begin the new year by getting acquainted with Lamson Bros. They sell Dry Goods, Cloaks and Curtains, and you will be pleased with their store. Call and see them at 335 and 337 Summit St., and we know you will come again.

### Dental Notice.

Dr. E. D. Winfield late of the firm of Drake & Winfield, Toledo, Ohio, has purchased the office of Dr. Thompson of Perryburg, and will be found in his Perryburg office on Thursdays and Saturdays. On Saturdays during the next two months he will extract teeth for half-price by the use of the latest agencies. He is an experienced administrator of gas. He warrants his fillings and will give the people a 25 per cent. discount on them for two months. The same discount will be made on artificial teeth for the same length of time to introduce his work. By his crowning method he makes good teeth out of roots. By his bridge processes he does away with plates. He extracts abscessed teeth painlessly and removes and replaces them.

All kinds of dental work warranted to be a success or money absolutely refunded. Those wishing the higher grades of work done can place the money in the bank till assured that the work is a success.

As for his responsibility he refers us to Ransom & Randolph or C. W. Munson, proprietor of Dental Depots, Toledo, O.

### Uncle Tom's Cabin.

C. W. Kidder & Co's Uncle Tom's Cabin Co. will give a performance at the town hall, Perryburg, Tuesday night, Jan. 10, 1893. They carry two special cars, one for special scenery and their street parade of 22 musicians, a band of jubilee singers, etc. is immense. Prices, 25 and 35 cents. The company numbers 31 people. The Newark, O., Advocate says of them:

Music Hall was filled to its utmost capacity last night by a highly respectable and very appreciative audience. And to say that everyone was well pleased is putting it mildly. It is a very rare thing to hear so much applause as was heard last night at Music Hall. The scenery is good; the acting is good, and all who visit Music Hall to-night can rest assured of seeing a first-class production of the drama.

### Winter Novelties For Ladies.

A pretty walking costume is a pleasing picture, but a beautiful Ball Dress is a poem. Never before has a winter season presented a wider range of fascinating styles than this year. The taste for historical costumes is increasing, as we go on, and indeed dressmaking at the present time, absolutely requires some knowledge of the costumes of the past. Such knowledge is especially needed in Ball Dresses, as the latter more closely resemble their historical models. It is also in evening receptions that one sees those revived styles, such as the Henri II., the Regence, the 1845, etc., which do not appear on the street in their pristine garb. In order to find one's way in this labyrinth of old and new fashions one has only to consult the McDowell Fashions Magazine, published at 4 West 14th Street, New York City. They furnish every needed information in a most practical manner. "La Mode" is the greatest magazine of fashion for the family use, costing only \$1.50 per annum, or 15 cents a copy. If you cannot get these Journals from your newsdealers send to the publishers direct.

### Doubled the Capacity.

Having doubled my capacity for weaving Rag Carpets, I can now complete 200 yards per day. Also perfected arrangements for raveling ingrain carpet for Rugs so that I can finish them on short notice.

I have a full supply of all colors of warp constantly on hand at prices less than can be had at the stores. Call and get prices. Weavers wishing to buy the Newcomb Loom can save from \$5 to \$20 by ordering of me.

P. M. FUHL, MAUMEE.

## DOMESTIC WHITE SEWING MACHINES.

WM. SCHLECT.

### CARPET WEAVING.

Having purchased a new Flying Shuttle Loom, I am prepared to weave Carpets and Rugs of any description, at the very lowest rates.

Mrs. H. C. Beach.

—A merry party of young people went to Waterville last Wednesday night and enjoyed a dance and supper. Ed. Trombla drove them up in his covered bus and they had a "mashing" good time, as did also a party of young folks who went to Haskins on the same evening.

—A number of young ladies and gentlemen drove over from Bowling Green last Monday afternoon, stopped with landlord Dome, who provided them with oysters, and then slid down hill to the river, and before starting home they all had their "skates on." We were surprised to see such good people as Myron Case and Sammie Vail out on such a lark. "Everything goes" with B. G. people.

—We were presented by Cashier Hanson of the Citizens Banking Co., of Perryburg, with one of those souvenir coins—Columbian half dollar—which is certainly the neatest pocket piece we have ever seen. The bank has a limited number on hand which can be purchased at one dollar each. When it is remembered that only a limited number of these souvenirs have been coined, it will be easily understood how valuable they will be in a few years, on account of the scarcity, and a large premium will be offered for them. Every American who is proud of his country should carry one of them in his "inside pocket" and he will never "go broke."

All persons knowing themselves to be indebted for Postoffice box rent for the present or past quarters will please call and settle for the same immediately.

Fail to do our Duty.

Everybody has at times failed to do their duty towards themselves. Hundreds of lady readers suffer from sick headache, nervousness, sleeplessness and female troubles. Let them follow the example of Mrs. H. Herlacher, Stevens Point, Wis., who for five years suffered greatly from Nervous Prostration and sleeplessness, tried physicians and different medicines without success. But one bottle of Dr. Miles' Nervine caused sound sleep every night and she is feeling like a new person. Mrs. Elizabeth Wheeler, Laramie City, Wyoming, who tried all other remedies, declares that after three weeks' use of the Nervine for Headache, Nervous Prostration, etc., she was entirely relieved. Sold by A. R. Champney, Trial Bottle Free.

The young men and young women who aspire to obtain Academic or College educations, and whose parents cannot well afford them that expense, will be interested in the work of the Cosmopolitan Magazine, which has offered for the year 1893 one thousand scholarships at any of the leading colleges or schools of the United States, upon the condition of introducing the magazine into certain neighborhood. Yale, Vassar, Harvard, Ann Arbor, Chicago, the Southern colleges, the great schools of art and medicine, all are alike open to the ambitious boy or girl who is not afraid of the late earnest work. The Cosmopolitan send out from its New York office a handsomely printed pamphlet to any applicant, telling just what is necessary in order to secure one of these scholarships. The scholarship itself includes board, lodging, laundry and tuition—all free.
